The discussion of the repairs and possible boarding of the loft space considered a number of options. It was decided that this was a low priority and that only a small section needed to be done. This would possibly be the area in the stair lobby. Carry forward to next meeting

Fire Escape: JS will explore the options as this will need to be done sooner rather than later.

H&S: the possible need for a Sharps Box was discussed and it was agreed that we need to confirm the disposal process and then purchase a small Sharps Box.

Boats: LH asked the committee to consider the purchase of a Sit on Top boat. It was agreed that some of the funds from the future sale of old boats could go towards the purchase of a 2nd hand Sit on Top. LH to monitor Ebay and other websites to identify possible items.

Help with Leeds Castle Triathlon: we have been asked to help with Safety Boat provision at the Leeds Castle Triathlon. At present there have been no volunteers coming forward. BP to put another item on website nearer the time.
