Sunday 28th August 2016

Arrangements:-

Meet at the Joss Bay Car Park, Margate from 11.00am onwards.

Party on the beach this Late Summer Bank Holiday Sunday.

Play in the surf and paddle across to neighbouring Kingsgate Bay. (Sea conditions permitting).

For your information :-

HIGH TIDE	-	09:00 approx.
LOW TIDE	-	16:00 approx.

..... so this year, the cave in Kingsgate Bay will be high and dry. Perhaps we can go and walk it! Returning to the beach, we can BBQ and surf during the afternoon as the outgoing tide exposes the rocks. All, of course, dependent on the weather... remember we have had storms before!

All grades of paddler are welcome, just bring your own food and drink, bucket and spade, something to cook with and something boat shaped to scrape across the sand.

Be aware You will need lots of coins if you plan to use the car park above the beach. It's been getting closer towards £10 for the day each successive year and unless they've changed them, the machines do not take folding money !!!!!
