Friday 30th June 2017

Please Note: We will need a **sharp 6pm** get-away
from Gillingham Strand this year.

Arrangements:-

Meet at the Strand Car Park, Gillingham from 5.00pm. (17:00) onwards.

At 6pm sharp ...Paddle across to one of the Estuary Islands on a long summer evening and cook your Bangers and Burgers on an open driftwood fire. Bivouac overnight under the stars and return the next day.

All paddlers with some experience are welcome, just bring your own food and drink, something to paddle over in and some warm clothing (just in case!).

Note: Be prepared for **Muddy portages** at get out (Fri) and put-in (Sat) although this will be minimised by arriving and leaving near high tides.

Proposed departure from Strand 6.00pm (18:00) Friday

.... and return 07:20 Sat morning.

Please remember that **EVERYTHING** you take (camping things, cooking things, clothing etc) **MUST FIT INSIDE YOUR CANOE/KAYAK!**
